

## Organisation: National Heart Foundation of Australia

### Research Call for Applications

The National Heart Foundation of Australia is offering financial support to pursue the research of cardiovascular disease and related disorders. The work may be pursued as an investigation in biomedical, clinical or public health research.

The Heart Foundation is now calling for applications for funding beginning 2008.

#### RESEARCH FELLOWSHIPS

Fellowships of the following durations will be awarded:

- Postdoctoral Fellowships of up to 2 years
- Overseas Fellowships of up to 3 years (with 2 years overseas)
- Career Development Fellowships of up to 5 years.

**Closing Date**  
**5.00pm, Friday 18 May 2007**

#### RESEARCH SCHOLARSHIPS

Postgraduate scholarships are for medical, science, allied health or nursing graduates seeking support for full time research studies leading to a PhD at an Australian university or institution.

Postgraduate Research Scholarships are normally awarded for 3 years.

**Closing Date**  
**5.00pm, Friday 3 August 2007**

#### POSTGRADUATE PATHOLOGY RESEARCH SCHOLARSHIP

The Heart Foundation and Royal College of Pathologists of Australasia have united to offer this Scholarship. Applications are invited for research into cardiovascular disease in the context of its underlying pathology or in the context of diagnostic testing for the disease.

**Closing Date**  
**5.00pm, Friday 3 August 2007**

#### SPECIAL AWARDS

##### Women & Cardiovascular Research Scholarship

To support full time research studies into prevention, treatment and the causes of cardiovascular disease in women leading to a PhD at an Australian university or institution.

**Closing Date: 5.00pm, Friday, 3 August 2007**

##### XIV World Congress of Cardiology – Clinical Research Fellowship

Recipient must be an RACP Fellow (or equivalent) or trainee. The Fellowship will be for a period of 3 years and a \$91 561 p.a. package will be offered.

**Closing Date: 5.00pm, Friday, 18 May 2007**

#### TRAVEL GRANTS

Travel Grants offer financial support to junior researchers who are presenting their work at an overseas conference.

**Closing Dates**  
For travel in Jul, Aug & Sep 2007:  
**1 June 2007**  
For travel in Oct, Nov & Dec 2007:  
**3 September 2007**  
For travel in Jan, Feb & Mar 2008:  
**3 December 2007**

#### SUMMER SCHOLARSHIPS

Summer Scholarships offer lab experience to undergraduates who have completed at least 2 years of a medical or science degree. They are for a duration of 6-8 weeks.

**Closing Date**  
**5.00pm, Monday 27 August 2007**

Please ensure that you read the information booklet and the application form to make sure you include all the required information in your application.
