As the Annual Scientific Meeting of the Cardiac Society of Australia and New Zealand will be part of the World Congress of Cardiology in May 2014, ANZET14 will be a standalone meeting for the first time.

It will offer an extended program that will include:

- Live case broadcasts from leading Australasian and international centres with a focus on complex coronary interventions and non coronary cardiac procedures
- A highly interactive program with international and national experts discussing cases, interventional techniques and strategies
- Live case transmissions will be interlaced with lectures, reviewing the latest clinical studies
- An Affiliates' Symposium focusing on issues relevant to Cath Lab staff
- Fellows' Symposium for the 2014 ANZET Prize.
